my choice of a wife displeased my cousins and they combined to persecute and defame my character. I had united for nearly a year with the Methodist Society of which my cousins were members. They entered complaints against me to the Superintendent, the Rev. A. Y. Green. I asked for a trial but was denied one, and finally Mr. Green expelled me. This arbitrary act did me no good and did much injury to the Society.

I worked on my farm for about twelve years, got badly hurt in a threshing machine in Sept 1865. Moved to Lucan Feb. 1866, was appointed Township Clerk and an official in the Methodist Church. My wife died in March 17, 1872. . . . In about eight years I left Lucan and returned to my farm in April 1874, built a brick house and got married a second time to Margaret Stewart in June 1876. Moved to St Marys in Nov 1920

We hear from our children quite often and my nephews and nieces in the northwest. Isaac Thompson is about the feeblest of the family. The health of Allen and Maggie Evans is failing. They have left Winnipeg, so Hattie McKim wrote me, and went to Br. Columbia. I suppose you heard of J. E. Murray's death on Oct 8th. They sold their place in Granton a year ago and moved to Toronto last January. They purchased a residence on 136 1/2 North Beaconsfield Ave. I think he was about your age in his fifty eighth year. Her two eldest children has situations in Toronto. They get \$7.00 a week each. I think Myrtle is book-keeping and Charlie helping at Elton's store

My dear Mr. [Name],

I have just received your letter of the 10th inst. and am glad to hear from you. I am well and hope these few lines will find you the same. I have been thinking much lately of the old days and the friends we have left behind. It seems so long since we were all together and I wonder how you are getting on. I hope you are still as active and vigorous as ever. I have been feeling a little better lately, but I still have a long way to go. I am sure you will understand me and will be glad to hear from me again. I am sure you will be glad to hear from me again. I am sure you will be glad to hear from me again.

Yours truly,

## Family Marks Anniversary

July 11, 1957

SELBY — Fifty years ago on June 26, 1907, a wedding was solemnized at Darlington near Bowmanville, when the contracting parties were Sybil Muriel Trull, daughter of Mr. and Mrs. Casey Trull and granddaughter of the late Dr. Robert Grange and Mrs. Grange of Napanee, and Arthur F. McKnight of Selby.

Attending the bridal couple were Miss Edra Trull, sister of the bride, and Fred Trull. After a honeymoon, Mr. and Mrs. McKnight took up residence at the family home near Selby. Nine children and eighteen grandchildren blessed this union.

On June 29 this year, a Golden Wedding reception was held at the family home, when 200 guests called to extend congratulations and partake of wedding refreshments. During the afternoon Mrs. James Rose presided at the tea table.

During the supper hour a presentation of a purse was made to the couple from the family and one was also presented from relatives of the bride.

In the evening, in charge of a very humorous and delightful program, highlighting the fifty years, when wedding vows were repeated, was the Rev. John Renshaw of Selby. At this time a presentation address was read by Mrs. Douglas Thomlison, featuring a four-hundred-day clock, and other gifts, which were given by the community. Arthur Graham made the presentation, after which Mr. McKnight, on behalf of his wife made a suitable reply.

Bearing greetings from G. H. Dunbar, Provincial Secretary, was Norris Whitney, MLA, Prince Edward-Lennox riding, in the form of a congratulatory certificate. A letter of congratulation was received from S. White of Madoc, MP for Hastings-Frontenac, and read by Mr. Renshaw. Tribute was paid to the bride and groom in speeches befitting the occasion by Clarence Milligan, MP for Prince Edward-Lennox, and Lee Grills of Belleville, MP for Hastings East. Arthur Graham, reeve of Richmond, also extended best wishes befitting the occasion. Among telegrams received was one from Miss Grace Trull, niece of the bridal couple, now residing in England.

The first part of the paper is devoted to a discussion of the  
 various methods of determining the rate of reaction. The  
 most common method is the use of a clock reaction, in which  
 the time taken for a certain amount of product to be formed  
 is measured. This method is only applicable to reactions which  
 are first order with respect to one of the reactants. The  
 rate of reaction can also be determined by measuring the  
 change in concentration of one of the reactants or products  
 over a given time interval. This method is applicable to  
 reactions of any order. The rate of reaction can also be  
 determined by measuring the change in pressure or volume  
 of a gas over a given time interval. This method is only  
 applicable to reactions which involve a change in the number  
 of moles of gas.
